Saturday's Show Day

Saturday 28th June will be Show Day. We will no longer be having a judged concourse d'elegance.

Important Information:

Dog owners:

The rooms we are booked in for meals are not dog friendly (except Saturday night on The Terrace Patio).

The site is classed as dog friendly as some accommodation accepts dogs, there is a dog park on site, and The Terrace allows dogs and has various hydration points for dogs. Please consider whether you bring your dog with you to this event.

Wifi:

Wifi is available on site however it can be slow but is free.

Mobile phones:

Mobile signal is patchy and some providers do not work due to the rural location - EE is currently the best signal on the park.

Payphones are available on site.

Please see Whitemead website FAQ section for further details
